Help Our Community Grow Stronger

As We Build Sukkot and Connections with One Another

For the past three years, dozens of Temple families have built Sukkahs in their backyards and opened their homes to fellow congregants, friends and family for a Sukkot celebration. And hundreds of adults and children have participated! Together we have

decorated the Sukkahs, enjoyed a potluck dinner, met new people and reconnected with old friends, recited prayers and discovered the beauty of Sukkot. This wonderful day has brought together Temple congregants of all ages in a beautiful holiday tradition.

Would you like to be a "host family" and build a Sukkah at your home? Volunteer and we will help you every step of the way!!! Please Contact Rabbi Alysa Mendelson Graf at 227-1293, ext. 304 or amendelson@tiwestport.org.
